Part I

Introduction

This is a book created from markdown and executable code.

See Knuth (1984) for additional discussion of literate programming.

1 Welcome

This is the comprehensive guide for students and trainees working within the Transdiagnostic Addiction Laboratory at Dalhousie University. Dalhousie University is located in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq. We are all Treaty people.

This document will periodically be updated.

2 mission

Part II

Starting

3 volunteer

4 Undergraduate students

5 Graduate students

Part III

Policies & Expectations

6 Igor's philosophy on supervision

7 General lab policies

8 Funding opportunities

9 Lab space and resources

10 Resources

Part IV

Setting up your project

11 Initializing your project

12 Data management

13 Analysis
